

The Architects League of Northern New Jersey is pleased to offer a 3-day weekend

A.R.E. STRUCTURES SEMINAR

presented by **David Thaddeus, AIA, NCARB**

Professor of Structures and Architectural Design at UNC-Charlotte.

Professor Thaddeus, otherwise known as "the structures guru", has been teaching structural review seminars for the Architect Registration Examination for over 20 years. His seminar is highly regarded for having helped thousands take the exam with confidence and PASS. This 3-day seminar is a thorough, clear, easy-to-understand review of what you need to know to prepare for the Structural Systems division of the A.R.E., covering General Structures, Lateral Forces and the Structural Framing Vignette.
